**Comment**

In an auction with in majority artworks below the \$ 1,000, this painting may be an excellent opportunity to acquire a work by an artist born in 1951 at a very nice price ( for the moment) no doubt the value is going to increase especially for paintings of this period.

**Comment:**

Born 1983, Sandra Chevrier is definitely an interesting upcoming artist, lots of talent, and creativity, exhibits already worldwide, Paris, Los Angeles etc. An opportunity to buy this print! I rarely advise to buy prints, this artist is an exception. We will hear about her a lot in the coming decades.
